WELCOMING NEW SCHOLARSHIP RECIPIENTS

We are proud to welcome Jean-Pierre Davids and Joshua Saunders to our scholarship programme.

Jean-Pierre from Velddrif, is pursuing a Bachelor of Science in Mathematical Sciences at the University of Stellenbosch, while Joshua, from Moorreesburg, will be studying towards a Bachelor of Commerce/Business Science at the University of Cape Town. We wish them every success as they begin this exciting new chapter!

SCHOOL SOCIAL SERVICES EXPANDED

From Term 2, learners at Moorreesburg High School will benefit from additional support through the School-Based Social Services Programme.

Social worker Nadine Wolstenholme, already well known to learners at Hopefield Primary, will now also be based at Moorreesburg High School two days a week, offering counselling and early well-being support.

SMME'S CELEBRATE GRADUATION

Twenty local SMMEs from Hopefield, Moorreesburg and Piketberg recently graduated from the third Enterprise Development Programme with a celebration ceremony.

Over eight months, they received practical training, mentorship and support to grow their businesses.

The programme, run with the Initiative for Community Advancement and Aurora Rietvlei Solar, ended with a graduation where top participants received business grants to help expand their enterprises.

COMING SOON: WEB DEVELOPMENT PROGRAMME RETURNS

We are excited to announce the return of our Web Development Programme in partnership with Techways. Launched in 2025, the initiative is expanding to the Bergriver area, including Piketberg and Moorreesburg.

Designed to equip youth with valuable digital skills, the programme covers coding fundamentals and hands-on project experience. Young people are encouraged to watch our Facebook page for application details and take advantage of this opportunity to enter the digital economy.
